Experience for Growth & Prosperity

In 2021, we were elected on this platform:

- ✓ getting the financial books in order
- ✓ becoming financially positive
- ✓ finding new sources of revenue
- ✓ working to make the new community center a reality

We've fulfilled our promises!

We are in the best financial position we have ever been in.

Banks are competing for our business. Infrastructure is continually being repaired and improved.

We are eager to continue this progress!

In 2024 and beyond, we are committed to:

- |||| → achieving self-sufficient businesses
- |||| → continuing our infrastructure improvements
- |||| → launching technology to improve security
- |||| → increasing existing reserves & umbrella policy
- |||| → generating even more non-dues revenue

We are the proven team Fairfield Harbour needs moving forward!
